

Make Your Family!

Option 1: Draw a Portrait or Representation of Your Family!

Use paint, pencils, crayons, anything you like to make an image that represents your family. It can be the members of your family, it can include all of your extended family. It can be a picture of how you feel when you are with your family or what you love about them. Anything you like!

Option 2: Create a Paddle Pop Stick Family!

Use paddle pop sticks, material, paint or texta to turn the sticks into each member of your family.

See if you can capture their personality and maybe even have a go at creating the family pet if you have one!

Option 3: Create a Rock Family!

Collect or buy some rocks, enough for all the members of your family. Using paint, paint pens or permanent markers turn each rock into a member of your family.

Your rock family can stay in your house or find a nice place in your garden to make special garden family ornaments!

Remember family is anyone or anything you want it to be, you might include your immediate family, your extended family including pets or your friend or community family!
