

# St Brigid's Gwynneville OSHC.

Our services are located within school grounds and provide children with a safe and welcoming environment. The service program offers a wide range of activities for children of differing ages, interests and needs. Such activities include assistance with homework, cooking, craft, construction and outdoor play.

## Before School Hours Care

Before School Hours Care runs from 6:45am to 9:00am. Permanent placement is \$28 per day and casual placement is \$36 per day.

## After School Hours Care

After School Hours Care runs from 3:00pm to 6:00pm. Permanent placement is \$40 per day and casual placement is \$44 per day.

## Our Educators

Our services are led by a dedicated team of education professionals who are university trained or TAFE trained educators who support and respect the uniqueness and individuality of children and their families. The day to day operations of the centre is managed by a Service Coordinator and supported by an Area Supervisor. Our educators collaborate with children to provide play and leisure opportunities that are meaningful to them and that support their wellbeing, learning and personal development.

## Food

We encourage positive learning experiences during snack times where good food habits are developed in a happy, social environment. Snacks provided are healthy, balanced and varied. The services have a strict no-nut policy and no nut products will be served or eaten at the services. We can further accommodate a number of dietary requirements ie. gluten-free, dairy-free etc, so please speak to us about your child's specific needs.

## Child Care Subsidy and Transition to Work

The Australian Government provides families with two types of financial assistance to help cover the costs of approved child care. These are Child Care Subsidy (CCS) and Transition to Work. These subsidies must be applied for through Centrelink and will be automatically linked to the service when you provide your CRN and other enrolment details.
